NERTL REGIONAL EVENTS FREQUENTLY ASKED QUESTIONS

What is a Rally / Leaders School?

A rally is a weekend retreat where teens and advisors from Leaders Clubs across our region come together for a weekend of learning, growth, and fun. Leaders School is similar to a rally but is for a week and with a wider variety of programming. Each event is organized and facilitated by a host YMCA in our area with a management team of experienced YMCA professionals and volunteers.

Who can go?

Teens and staff involved in any active Leaders Club in our region (NY, MA, NH, RI, CT and VT). Ages and grades do vary slightly by event depending on host YMCA policies. Please read through each event's packet for more information. With the exception of Leaders School YMCA's are required to send staff and/or volunteers with their teens.

Why are the prices different?

Events are located on resident camps or college campuses who charge us for usage of their space, food, supplies, etc. These costs do vary by location and time of year (i.e. heating for winter cabins) and are the direct cost of running the event. Prices include most meals, housing and activities. Transportation to and from the event is not included and is the responsibility of the local YMCA.

Why do I have to pay for advisors?

The camps and campuses we attend charge per person including adults. Some events are able to offer lower rates for advisors however in order to operate the event and keep cost lower for teens it is necessary to charge for all attendees. Advisors attending Leaders School do not have to pay to attend but do have to apply and be accepted into the program as staff.

What can staff and teens expect when attending an event?

Advisors and teens can expect a busy schedule starting in early morning and going well into the evening hours. There is very little down time by design in order maximize time for activities, building relationships and learning. Activities vary by event but generally include a mix of physical activity, team building, outdoor education, aquatics, and values based character development programs. Teens and staff are broken up into groups based on age/grade and experience in the program. Housing is typically cabin style bunk rooms or college dorm. Most meals are also provided.

When will I receive information? What is the registration process?

Information packets and forms are sent within 6-8 weeks prior to an event via email. Leaders School registration opens in March/April. It is critical to read and follow the registration instructions included in the packet upon receipt for due dates, required paperwork, payments, etc.
